

Early Elementary

Grades 1–3

Monday

4:00-4:45 Introduction to Ballet

Basic ballet foundation work for the beginner dancer using the R.A.D. syllabus.

4:50-5:30 Tap

Basic fundamentals for Levels 1 and 2. A great class to accompany a ballet lesson.

5:30-6:30 Ballet/Hip Hop

This class starts with ballet basics and then picks up the pace with some faster moving and contemporary, age-appropriate hip hop moves.

5:40-6:30 Ballet AP 1

Advanced Placement class, auditions available.

6:30-7:15 Jazz/Funk 2

Fun introduction to jazz. The class consists of combinations and dances that are fun and upbeat. Not a technique-based class.

7:15-8:00 Turns/Leaps and Tricks 2

This class is not meant to stand alone. It is a great supplemental class to either a jazz or modern class.

Wednesday

4:00-4:45 Children's Contemporary Class

6:45-7:30 From Ballet to Broadway

Good beginners' class. The lesson spends the first 30 minutes learning ballet stretching and barre work, then closes out with a 15-minute hip hop style combination. This is a good class for the parent who wants the structure of ballet present but whose child also wants a faster-paced class.

Thursday

4:30-5:15 Hip Hop 1

Basic hip hop moves in a fun environment. All music and movements are age appropriate. This is a great beginning class for any young dancer.

5:15-6:15 Ballet/Modern Jazz Combination Class

Students need to have a basic understanding of ballet and have been in at least one ballet, modern, or jazz class.

6:15-7:00 Ballet Level 1

This is a Level 1 class for children who have some experience with dance, cheer, or gymnastics, and want to rediscover ballet or need the additional training for iceskating.

7:00-7:30 Tap 1

Introduction to the basics of tap dancing.
